Friday

Alta dear:

Just a note to tell
you that Minto was operated
on last Saturday night for
appendicitis — and he wanted
me to let you know. He is
doing rather well, altho yesterday
was the first time he has
been allowed visitors at all. They
got to his appendix, it seems,
just before it burst. He is
in Room 230, Baylor Hospital,
Dallas, in case you want to

write him.

Christmas was grand-o. Appreciated
your card and note. Brigggo was
down last week-end, and of
course we had a grand time
talking over last summer's cruise,
altho our fun was somewhat

marred by Minto's illness.

Give my regards to Jono,
and the rest of the family. I
hope that in 1931 we will
all meet again.

Love

Violet S.
