Local Group Are Among Finalists For 4-Year College Scholarships

EVANSTON, Ill. (AP)—The National Merit Scholarship Corp. today reported 104 Louisiana high school students among 7,500 finalists competing for 700 four-year college scholarships.

The NMSC scholarship program was started last year with 525 awards. It was financed first by grants from the Ford Foundation and Carnegie Corp. Some 40 business organizations later accepted invitations to help support an enlarged program.

This year's awards provide for 3½ million dollars in scholarships.

The finalists named today outperformed 162,000 highly selected fellow competitors in college aptitude examinations given in 12,500 high schools Oct. 24.

They now face a three-hour college board examination Saturday, plus intensive screening of their leadership and extra-curricular records by a selection board. After the final phase of competition, the winners will be announced about April 25.

The Louisiana finalists include a group from East Baton Rouge. They are as follows: Lorin W. Browning, Central High; Russell R. Perry, Istrouma High; Beth A. Kaack, St. Joseph's Academy; Byrd M. Ball, Leonard R. Cargill, Alfred E. Krake, Oscar C. McGehee, William F. Odom and John C. Wiese, Baton Rouge High; Sarah J. Bennett, George V. Daniels, Helen M. Haynes, Jeanette F. Martin and John W. Myers, University High; Morton C. Blackwell and Alvin D. Martin, Woodlawn.

Others from the area include Carlos F. J. Moore Jr., Opelousas; Norman L. Davidson, Plaquemine.

BR Students Win Merit Scholarships

Oscar Carruth McGehee, Baton Rouge High School, and Helen M. Haynes, University High School, have been awarded National Merit Scholarships, it was announced last night by the National Merit Scholarship Corp. Scholarships were awarded to 14 Louisiana high school seniors.

Several national foundations and industries have contributed funds for the program. Scholarships given range from \$100 to \$2,000 a year. The amount of the scholarship is made according to the need of the student and is never announced. Winners may pick any college in the United States.

Runners-up from the two local high schools who were awarded certificates of merit are: Baton Rouge High School: Leonard Cargill, John Wiese, William Odom, Byrd Ball and Alfred Krake; University High School: George Daniels, Sarah Jane Bennett, Jack Myers and Jenny Martin.

Other Louisiana winners: Samuel Merrill III, Bogalusa; G. Palmer Pardington III, Houma; W. Lee Boddie, Lake Charles; Martha L. Riser, Monroe; Carol A. Hart, New Orleans; Leonard H. Hellmers, New Orleans; Caroline F. Keller, New Orleans; Daniel P. Matthews, New Orleans; Hunter B. McFadden, New Orleans; Morris H. Pardue, New Orleans; David L. Stone, New Orleans; and W. Glenn Pate, Shreveport.

A L M A M A T E R

Where stately oaks and broad magnolias shade
inspiring halls,

There stands our dear old Alma Mater who to us
recalls

Fond memories that waken in our hearts a
tender glow

And make us happy for the love that we have
learned to know.

All praise to thee, our Alma Mater, moulder of
mankind,

May greater glory, love unending, be forever
thine.

Our worth in life will be thy worth, we pray to
keep it true,

And may thy spirit live in us forever, L.S.U.
