2. It's sad, but true, how I miss you.
I long to hold your hand.
But while you're gone, I'll get along,
And try to understand. (Chorus)
3. I'm sad clear through, and I need you,
To make my life complete.
It's been so long, that you've been gone,
My heart can hardly beat. (Chorus)
4. And one thought grew: that I want you,
To be with me again;
But if in time, you can't be mine;
I'll love you 'til the end. (Chorus)
